Profil 1. Færdig.

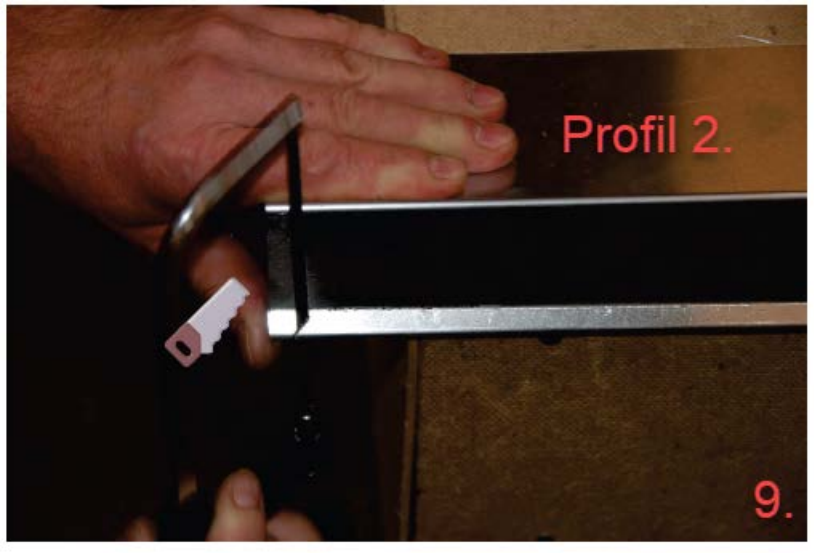

A close-up photograph of a person's hand holding a metal profile. The profile is a dark, rectangular metal strip. A yellow pencil with a red eraser is positioned to the left of the profile. A small, rectangular metal tag is attached to the bottom edge of the profile, with the number '45' written on it in red. The background is a dark, textured surface.

Profil 2.

8.

A close-up photograph showing a person's hand holding a long, thin metal profile. The profile has a rectangular slot cut into it. A key with a white, serrated bit and a red base is being inserted into this slot. The background is a dark, textured surface, possibly a door or a panel. The text "Profil 2." is overlaid in red on the right side of the image.

Profil 2.

9.

A close-up photograph showing a person's hands working on a wall. The person is using a utility knife with a yellow and black handle to cut a silver metal profile. The profile is being held in place by another hand. The wall is made of a light-colored, textured material, possibly plaster or drywall. The number '10' is visible in the bottom right corner of the image.
